

RAKU MATCHA

UJI KYOTO

Welcome Matcha Lovers

“Raku” means happiness — and that’s the essence we pour into every cup and every creation.

Our founder, Mia, trained in Uji, Japan under the 24th-generation master of Tsuen Tea, the world’s oldest tea house with over 860 years of heritage in handcrafting Japanese tea.

Through our exclusive partnership with Tsuen Tea, we proudly serve premium Uji matcha rich, smooth, and deeply rooted in heritage.

Don’t miss our signature handmade Mont Blanc, crafted with love and intention, offering a luxurious taste of Japan in every spoonful.

At Raku Matcha, we believe in slowing down. In cherishing small moments. And in celebrating joy — one sip, one spoonful, one memory at a time.
